REF : [REDACTED] 506-63, dated 6 September 1963

1. The following information for the subject item was furnished this office by the Technical Services Division:

a. The plastic waterproofing materiel was a courtesy pack furnished by the contractor. Due to this being an SAD contract, waterproofing was not required. However, it is requested that these items be sealed in barrier bags as recommended in paragraph 1 of the referenced memorandum for storage and outshipment.

b. The keys in the switch housings were potted in and should not be forced out.

c. Local procurement of replacement batteries is authorized at time of outshipment.

d. Markings referred to in paragraph 4 of the referenced memorandum are acceptable.
